

10116 Stay 16 support rail

Stay support rails are circular to maximize the area suitable for gripping. These modern support rails have a white antimicrobial frame, with an elastomeric gripping surface. Additional hardware and trunk are aluminium. Rails are equipped with hinges that aid with folding, and keeping the rails in an upright position. The wall-mounted, height-adjustable rail provides a stable and dynamic support system. The height adjustment range is 200 mm. Mounting hardware sold separately.

Product numbers:

- 10116G White, with grey coating
- 10116R White, with red coating

Product Information			
Width	100 mm	Color	-
Length	650 mm	Rail color	-
Height	495 mm	Material	-
Depth	-	Handedness	-
