

6400 Aino basin

Aino basins are made of durable and antimicrobial cast marble. The basin is specially designed for wheelchair patients in co-operation with the Käpylä Rehabilitation Centre SYNAPSIA of the Finnish Association for the Disabled. Its design includes sufficient leg space and plenty of tabletop space for elbow support. The Aino basin is suitable for both homes and public bathrooms, as it is easy to clean and hygienic.

Fixed water trap and wall brackets are included. Mounting hardware sold separately.
