

622501LED Ergomedic M basin

The Ergomedic M basin, specifically for operating room use, is co-designed by Korpinen and Eumar. The basin is made of CreaCore® antimicrobial composite material, which makes it durable and hygienic. Two Dispenso-dispensers and mounting hardware are included with the product. Both floor- and wall sewerage are feasible.

The basin has a maintenance hatch. A fixed water seal and mounting hardware are included, but the faucet and mixer are not.

Ergomedic Doctor M basin with LED light. Special order product with 12 week delivery time.

Product number: 622501LED
