KORPINEN

Product Information

63020-1 H Washing machine upper-cabinet

Gaius cabinets are customizable to different individual needs. The wall mounted cabinets ease cleaning in humid bathroom conditions. The white moisture resistant frame, made of 16 mm melamine, ensures longevity in active use. The doors are made of high-pressure laminate with additional grey accent strips along the edges to promote spatial recognition. Orientation of the doors is changeable.

The cabinet can be customized to include a lock hole, suitable for an Abloy- or cabinet lock. Such modification requires identification of preferred door orientation with order.

Top frame of the Gaius washing machine cabinet solution (63020 H)
