

6327 Gaius paper towel cabinet

Gaius paper towel cabinets include a paper towel dispenser and a number of shelves.

The white moisture resistant frame, made of 16 mm melamine, ensures longevity in active use. The doors are made of high-pressure laminate with additional grey accent strips along the edges to promote spatial recognition. The orientation of the doors is changeable. The cabinet can be customized to include a lock hole, suitable for an Abloy- or cabinet lock. Such modification requires identification of preferred door orientation with the order.

Gaius cabinet with a paper towel dispenser

- a paper towel dispenser in the bottom frame
- three shelves
