

63022 Sense Plus bottom waste cabinet

Wall-mounted cabinets ease cleaning in humid bathroom conditions. The white moisture resistant frame, made of 16 mm melamine, ensures longevity in active use. The doors are made of high-pressure laminate with additional grey accent strips along the edges to promote spatial recognition. The orientation of the doors is changeable.

The cabinet can be customized to include a lock hole, suitable for an Abloy- or cabinet lock. Such modification requires identification of preferred door orientation with the order.

Suitable for a fixed Sense Plus basin

- includes a pull-out laundry basket
