

6329 Gaius equipment cabinet

The wall mounted utility cabinets ease cleaning in humid bathroom conditions. The white moisture resistant frame, made of 16 mm melamine, ensures longevity in active use. Doors are made of high-pressure laminate with additional grey accent strips along the edges to promote spatial recognition. Orientation of the doors is changeable.

The cabinet can be customized to include a lock hole, suitable for an Abloy- or cabinet lock. Such modification requires identification of preferred door orientation with order.

The Gaius utility cabinet (6329) consists of

- two shelves: 1 on the top section and 1 on the bottom section
- two doors
