KORPINEN

Product Information

20204 Regal height adjustable support rail

Regal support rails are ergonomically shaped to improve functionality and to suit both private and public bathroom facilities. These quick height-adjustable support rails have a white antimicrobial frame, with an elastomeric gripping surface. Additional hardware is painted steel, with plastic cover plates.

Rails are equipped with hinges that aid with folding, and keeping the rails in an upright position. The rail Ø 33 x 30 mm. Height adjustment range is 200 mm.

Load tested to 250 kg down and 150kg sideways.

Mounting hardware sold separately.
