

77496 Katrin System Wc paper dispenser, White

- Updated design for Katrin dispensers
- Katrin System provides high capacity in a small space
- Dispenser for Katrin System toilet paper
- The dispenser can hold 2 rolls, up to 1600 sheets at once
- Continuous refill: a new roll can be loaded into the dispenser while the previous one is still in use
- Transparent side panels allow for easy monitoring of refill needs without opening the dispenser
- When the first roll is depleted, the second one automatically comes into use
- The dispenser features an adjustable roll brake to reduce consumption
- The roll brake can be adjusted to the appropriate level for different usage scenarios
- The lock can be used with or without a key
- Main materials for the dispenser's plastic parts and lock are: ABS (Acrylonitrile butadiene styrene), PC (polycarbonate), POM (polyoxymethylene). Black Katrin dispensers are made from recycled plastic
