

92580R Mirror cabinet with stationary base

Korpinen mirror cabinets have a vast range of frame and base options among other customizable elements to ensure the best fit for all users. The moisture resistant frame derives from the 0.7 mm electro-galvanized steel sheet with additional antimicrobial properties.

With the mirrored door the cabinet measures W530 x H700 x D135 mm, without which the width reduces to 500 mm.

Model 9524 consists of a straight mirror door, with one shelf, a paper towel holder, and a base with two Dispenso pac dispensers.
