Product Information

77335 Katrin Soap Dispenser

'The durable and easy-to-use Katrin soap dispenser is suitable for liquid soap, foam soap, and shower gel. Thanks to the transparent side panels, the need for refilling can be easily seen without opening the dispenser. The dispenser can be locked with a key or used without one. The full-width push button on the front panel makes it effortless for everyone to use, and it includes braille for visually impaired users. The dispenser's plastic parts and lock are made from durable materials.

- Compatible with liquid soap, foam soap, and shower gel
- Can be refilled with any Katrin 500 ml liquid soaps, foam soaps, and shower gels
- Transparent side panels allow for easy monitoring of refill needs without opening the dispenser
- Can be locked with a key or used without one
- Full-width push button on the front panel
- Braille included for visually impaired users
- Main materials for the plastic parts and lock: ABS (Acrylonitrile Butadiene Styrene), PC (Polycarbonate), POM (Polyoxymethylene)
