77397 Katrin Soap Dispenser

A durable and user-friendly soap dispenser, the black Katrin dispensers are made from recycled plastic. This versatile dispenser is suitable for liquid soap, foam soap, and shower gel. The transparent side panel makes it easy to see when a refill is needed without opening the dispenser. The transparent back panel allows for straightforward installation into existing wall mounting holes. It can be refilled with Katrin 500 ml and 1000 ml liquid soaps, foam soaps, hand sanitizers, and shower gels. The dispenser can be locked with a key or used without one. The full-width push button on the front panel ensures effortless use for everyone, and braille is included for visually impaired users.
