

17402 Sense shower seat

The antimicrobial, soft integral plastic of the Sense shower seat makes it a hygienic, safe, and easy-to-use addition to an accessible washroom. The form of the shower seat ensures a comfortable seating position. The tilted surface channels excess water off the seat. In combination with the antimicrobial, elastomeric coating, the seat design ensures safety and cleanliness during use.

The Sense fixed shower seat is ideal for locations where space is scarce. The folded seat occupies only 140 mm of space. The hidden hinges of the seat make folding up easy and keep the seat upright without additional locking mechanisms. Mounting hardware sold separately.

Features:

- hidden hinges of the seat make folding up easy
- easy and quick to install
- shower seat withstands min. 400 kg
- colour options: red and grey
- when folded up the depth is 140 mm
- antimicrobial

Sense shower seat, fixed
