

17372RAM Gaius shower seat, height adjustable

Gaius shower seats are made of integral plastic, which makes them easy to clean and comfortable to use. All metal parts are antimicrobial stainless steel or aluminium, painted with white epoxy-paint.

The wall-mounted seats can be customized as either fixed or height adjustable. Fixed shower seats are available with an extra support leg and handrails with an elastomeric coating to provide grip.

Without additional handrails, height-adjustable shower seats have a range of 300 mm. Height adjustment via hex key. Total loading capacity min. 250 kg.

Mounting hardware sold separately.

Gaius height-adjustable shower seat

- seat W 430 mm, D 420 mm, when opened the front edge of the seat is 490 mm from the wall
- as option handrails: (product numbers: 6522N)
- height-adjustment range with handrails is 200 mm
