

330003

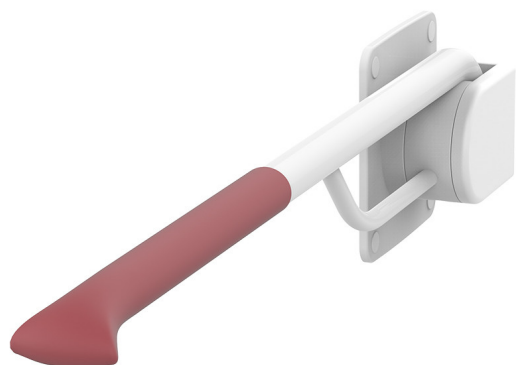

The side-mounted Regal support rail suits both private and public bathroom facilities. The rail can be mounted, for example, to an enclosed water tank.

Rails are equipped with hinges that aid with folding, and keeping the rails in an upright position. These modern support rails have a white antimicrobial frame with an elastomeric gripping surface. The rail diameter is 27 mm.

Additional hardware is painted steel, with plastic antimicrobial cover plates.

Product numbers:

- **330003GAM** grey
- **330003RAM** red
