

20108 Regal fixed support rail

Regal support rails are ergonomically shaped to improve functionality, and to suit both private and public bathroom facilities. These modern support rails have a chrome-plated or white antimicrobial frame. White rails have an elastomeric gripping surface. Additional hardware is painted steel, with plastic cover plates.

Rails are equipped with hinges that aid with folding, and keeping the rails in an upright position. The rail \varnothing 33 x 30 mm.

Load tested to 250 kg down.

Mounting hardware sold separately.
