

20209 Regal support rail

Regal support rails are ergonomically shaped to improve functionality, and to suit both private and public bathroom facilities. These modern support rails have a chrome-plated or white antimicrobial frame. White rails have an elastomeric gripping surface. Additional hardware is painted steel, with plastic cover plates.

Rails are equipped with hinges that aid with folding, and keeping the rails in an upright position. The rail Ø 33 x 30 mm. Load-bearing capacity is 200 kg.

Mounting hardware sold separately.
