

KB310-SSRE Baby changing station

Recessed, horizontal baby changing station that features one-piece, deep-drawn, uniform grain stainless steel exterior. This construction eliminates seams, sharp edges, and weld lines to form a modern aesthetic that helps upgrade the look of any washroom.

Key product features include ADA and ASTM compliance, laser etched logo, and an easy to load and use dual-cavity dispenser for sanitary bed liners and diaper disposal bags. The KB310 comes with a wall-mounted, stainless steel bag hook to make accessing diaper bags easier and safer.

The polypropylene bed surface contains exclusive Microban® antimicrobial product protection, which reduces odor-causing bacteria between cleanings.

Technical specifications

This Baby Changing Station has been tested to support 200 lbs with minimal deflection.

Please note: This product is designed for infants only, up to 3.5 years of age and weighing less than 50 lbs.

ASTM and EN compliant. Meets ADA and Texas Accessibility Standard (TAS) requirements when mounted properly.
